

Table 1. Selection of FY 2002 Southeast stock status and trends proposals for advancement to the investigation plan stage by the Inter-Agency Technical Review Committee (TRC). The Target Budget Level for FY 2002 represent the total amount of unobligated funding in the FY 2002 base budget distributed according to existing regional and informational guidelines. Target Budget Levels for remaining years represent two-thirds of the original base budget for this region and information type after multi-year obligations for studies begun in 2001 are removed.

		Advanced	Requested Budget		
FIS #	Title	TRC	FY 2002	FY 2003	FY 2004
